Daily dose of truth

Yo Fam! Let's Spread the Word This Summer!

FROM THE TOP DOG

Yo yo yo ma peeps, I've got a new fan base, a family type setup, with this newsletter thing. This is awesome! Peeps means, "people," okay Gran! Sorry, I have to keep her up to date. Alright everyone, buckle up! This ain't your grandma's church newsletter (no offense, Gran!). This is the official launch of GPS, your one-stop shop for all things evangelistic, faith-based and fire-starting. Let's set this town on fire! Whoa, we are not using matches, but the Holy Ghost, OK! That's right, we need to make an impact here, and use His fire to make change!

For over 30 years, I've been on the evangelism scene, spreading the good news like wildfire. Now, it's time to level up! We're building a movement, a community of believers who are ready to shout the Gospel message from the rooftops (metaphorically speaking, of course!). So hear me right, don't go climbing on the church roof! I don't want no trouble from your pastors.

Continued from page 1....

Let's be honest, sometimes talking about faith feels a bit, well, awkward. (We've all been there, right?) But here's the deal: spreading the word shouldn't be some cringe-worthy experience. It's about sharing love, hope, and the life-changing message of Jesus Christ. I mean really see this stuff happen like in Bible times!

GPS is your squad, your hype machine. We'll equip you with the skills and confidence to become a faith-sharing rockstar! We're talking tips on deepening your beliefs, crafting your story in a way that resonates, and even ideas for killer outreach events that won't leave anyone snoozing. Think summer barbecues with a side of Gospel love, or park picnics that spread good vibes, God's word and drowned in blasting music.

Whether you're a seasoned believer or just starting your faith journey, GPS has got your back. Grab your Bible, the OG guide, fam! (that's the Bible, for those who haven't cracked it open yet). Throw on your coolest outfit (looking good can be a ministry in itself!), and get ready to join this epic adventure.

Let's make this summer one for the history books! Join us and let's ignite a fire of faith that will light up our community. Don't forget to check out our website for even more resources, hit us up on social media, and spread the word about GPS to everyone you know.

Peace out and let's get to work!

Your Leader in Faith and Evangelism here at GPS,

Keith Ingham

"You automatically lose the chances you don't take."

We want you to fully embrace the message and commission of the Bible. That is why GPS exist, to not only encourage you with the likes of newsletters such as this, but to support you every step of the way. Take the opportunities you have and look for more. How we can help you today? Well Here's a taste of what's coming your way. Each issue, we'll share tips on how to spread the word in a way that's relevant to the season. Think summer sunshine and spreading God's love for this issue!

Level Up Your Faith Game: This section will be packed with practical advice and resources to help you grow your evangelistic skills.

GPS Updates: Stay tuned for the latest news and info on upcoming events and activities from Gospel Proclamation Services.

Daily Dose of Truth: We'll share a thought-provoking quote or a Bible verse to keep you inspired throughout the summer weeks.

Seasonal Spotlight:

Summer (Rest, Recharge, and Reach Out!)

Sun's out, time to put the tans on, and quick about it as we may get five days this year in the UK. Then it is a packed EasyJet and an online offer to Spain. Now while Summer might be a time to kick back and relax, at GPS, we're also gearing up for a season of action!

Think of summer as a time to recharge your batteries – spiritually as well! Between barbecues and beach days, let's carve out some space to actively share the joy of our faith and spread the good news. It is a time of year where hermits come outside. Do not leave your outreach events for the Winter, trust me people go into hibernation and you just can not connect well then. Use this Summer, use this time, the opportunities are here and you will never get them back.

Hitting the Streets (and Parks) This Summer:

While summer is often seen as a slower time for churches, it's actually a prime opportunity to engage with the community! Many families are out and about, enjoying the extended daylight hours. This means more chances to connect with neighbours, build relationships, and share the love of Christ in a relaxed and welcoming environment. Here at GPS, we're officially on the lookout for outreach opportunities in churches across the country!

Whether it's a community picnic in the park, a volunteering project at a local summer festival, or even a simple ice cream social for the neighbourhood, we're eager to partner with churches to create events that spread joy and connect with those around us.

We'll be sharing specific outreach ideas and resources throughout the summer, providing churches with practical tools to get involved. We'll also be featuring success stories from GPS partners around the UK, showcasing the impact of faith-based outreach when we work together.

Have an idea for a summer outreach event at your church? We want to hear from you! Send your suggestions or questions to us.

This summer, let's turn the tables on the "quiet season" stereotype! Let's make it a summer of connection, of spreading the Gospel message in a spirit of joy and community. Together, we can make a real difference in the lives of others.

Champions for Christ

Forge Your Spiritual Armour

>>> LEVEL UP YOUR FAITH

Level Up Your Faith: Champions for Christ

Welcome, warriors of faith! This is your call to action, your invitation to a thrilling journey where you'll level up your faith and become a champion for Christ. Forget the fleeting victories of earthly games – here, we strive for an eternal prize, the glorious freedom and redemption offered through the Gospel.

Our enemy may be cunning, but our God is omnipotent. He equips us with the armour of faith, the sword of the Spirit, and the unwavering support of our brothers and sisters in Christ. Together, we become an unstoppable force, spreading the message of hope and salvation to a world desperately in need.

But how do we take that first step, how do we level up and become truly effective witnesses?

1. Forge Your Spiritual Armour:

A champion needs strength. Immerse yourself in Scripture, for it is the bedrock of our faith. As Ephesians 6:17 instructs, "Take the helmet of salvation, and the sword of the Spirit, which is the word of God." Daily Bible study and prayer fuel your spirit and sharpen your understanding of God's word, equipping you to face any challenge.

2. Refine Your Witnessing Skills:

Practice sharing your faith story! Reflect on how Christ has transformed your life. What challenges have you overcome? How has faith brought you peace and purpose? Remember, 1 Peter 3:15 reminds us to "be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

3. Embrace Every Opportunity:

Don't wait for grand pronouncements. Engage with those around you – neighbours, colleagues, friends. Ask questions, listen intently, and find common ground. Perhaps they're searching for answers, yearning for the hope that only Christ can provide. A simple, heartfelt conversation can be the catalyst for a life-changing encounter with God.

What's Poppin' at GPS

(Gettin' People Saved, duh!)

Yo yo yo! Fresh news alert from GPS HQ! We're a brand new crew on a mission to supercharge your church life and build a bridge between the church and the streets (think holy highway, not toll booth!). For Keith's Gran we are the bridge that is formed in our communities that will fit over the gulf between the Church sat in its building and the people we are trying to reach outside. We will form connections so both parties will pass over and begin to connect. Great huh!

Here's what's dropping this week:

This means
"What is New"

Friday Night Smackdown (Gospel Edition): Feeling restless on Fridays? Wanna trade boredom for a spiritual battle royale? Join us as we hit the streets and challenge teens with the Gospel! It's not your grandma's Bible study (no offense, Gran!). Think epic conversations, friendly competition, and maybe even some killer dance moves (we're still working on those). This is your chance to step up, share your faith, and show the world that Christianity is anything but lame. Think you can handle it?

Calling all warriors of faith!

We need YOU to join our squad and help us spread the good word. Whether you're a smooth talker, a dance machine (or at least a willing participant), or just someone with a passion for sharing your faith, there's a place for you at GPS.

Bonus points if:

You can quote scripture faster than your friends can quote song lyrics. (Bonus bonus points for using it in a rap battle!)

You're not afraid to break out your best dance moves (even if they're more "dad dancing" than "hip-hop hero").

You have an unshakeable faith and a heart on fire to share it with others.

So ditch the couch potato routine and join the GPS revolution! Together, we'll transform Friday nights from "Netflix and chill" to "Spread the Gospel and thrill!"

Stay tuned for details on the first Friday Night Smackdown! We'll be dropping all the info on social media (don't forget to follow us!).

Remember: Sharing your faith shouldn't feel like homework. It should be an adventure! Let's make it epic, fam!

Lifting Up Our Squad:

Building Strong Foundations

This Season, let's direct our prayers towards the exciting growth and development of GPS!

Building a Solid Foundation:

As we welcome new trustees on board, let's pray for wisdom and guidance during this crucial phase. May God grant clear communication, unity of purpose, and a strong foundation for GPS to flourish.

Finding Our Perfect Fit: We're actively seeking charity shops to spread our message and serve the community. Let's lift this need in prayer, asking God to open doors to the ideal locations that align with our mission.

The Harvest is Plentiful, the Laborers are Few:

This famous quote rings true! Let's pray for God to send passionate and dedicated laborers to join our mission. We need volunteers with hearts for evangelism and a desire to reach out to our communities.

Remember, fam (this is you as well Gran, we are all family here), talking prayer is powerful! By lifting these needs before God, we open the door for His blessings and guidance. So get talking to God for us!

Do you have a specific prayer request for GPS or your community? Share it on our Socials or send an email to gospelproclamationservices@gmail.com. We're here for you, squad!

Daily Dose of Truth

Quote: "The world needs more than words. It needs witnesses." – Desmond Tutu

Scripture Verse: James 2:17 "In the same way, faith if it has no works is dead, being by itself." (NIV)

Daily dose of truth

This Season's message is a call to action, fam! Faith isn't just about believing – it's about living it out. Let your actions reflect your beliefs, be a witness for Christ in your daily life, and spread the love everywhere you go. Together, this season, we can start to make a difference!
