Our very first GPS presentation night

COMING UP

Daily dose of truth

Yo Fam! Let's Spread the Word This Winter!

FROM THE TOP DOG

Yo yo yo, GPS fam, listen up! I've got some crazy exciting news to share, and no, it's not about the latest phone update (I still don't like WhatsApp, remember?). This is about what's been happening with our Friday night outreach, and let me tell you—it's been lit! We've been out there, week after week, and something incredible is happening. People are actually stopping, not to dodge us, but to engage in some real-deal convos about God. Yeah, you heard that right! On a Friday night when folks could be doing anything else, they're choosing to talk about faith. Let that sink in for a second. We've been sparking some deep conversations about who God is and what He's all about. It's like we're flipping the script on what people thought faith was—less about rules and more about relationship.

Continued from page 1....

Guess what? People are starting to catch on! I'm talking about folks from all walks of life leaning in, asking questions, and wanting to know more. You can see it in their eyes: the curiosity, the hunger, the need for something real.

But wait, there's more! It's not just talk—people are praying. Yep, prayers are going up! Not just us doing all the praying either—people are joining in. There's this sense that we're not just reaching people, but building a movement. And they want in! We're seeing people ask how they can be more involved, how they can be part of what God's doing through GPS. It's like, one minute they're curious, and the next they're asking for ways to plug in. Talk about a spiritual glow-up!

Now, hold onto your hats, because this is only the beginning. With Christmas around the corner, we've got even more opportunities coming our way. I mean, who doesn't love the holidays? It's the perfect time to get people thinking about God's greatest gift to the world—Jesus! We've got outreach plans, events, and who knows what else. The excitement is building, and I can feel it: this is going to carry us into a whole new season of opportunities to share the good news.

So, buckle up fam, because this ride is just getting started. God's doing big things, and we get to be a part of it. Let's keep spreading that Holy Ghost fire and watch how He moves!

Peace out and let's get to work!

Your Leader in Faith and Evangelism here at GPS,

Keith Ingham

"You automatically lose the chances you don't take."

We want you to fully embrace the message and commission of the Bible. That is why GPS exist, to not only encourage you with the likes of newsletters such as this, but to support you every step of the way. Take the opportunities you have and look for more. How we can help you today? Well Here's a taste of what's coming your way. Each issue, we'll share tips on how to spread the word in a way that's relevant to the season. Think summer sunshine and spreading God's love for this issue!

Level Up Your Faith Game: This section will be packed with practical advice and resources to help you grow your evangelistic skills.

GPS Updates: Stay tuned for the latest news and info on upcoming events and activities from Gospel Proclamation Services.

Daily Dose of Truth: We'll share a thought-provoking quote or a Bible verse to keep you inspired throughout the summer weeks.

Seasonal Spotlight:

Warm Hearts, Hot Chocolate, and the Gospel!

Alright fam, winter is upon us, which means it's time to swap the BBQs and sunshine for woolly hats and hot chocolate! While some might think of winter as the season for hibernation (trust me, I get it—who wouldn't want to curl up by the fire?), here at GPS, we're turning up the heat with some epic outreach plans. Just because it's cold outside doesn't mean the mission stops! In fact, we're about to get out there and bring some warmth—not just to people's hands, but to their hearts, too.

Hot Chocolate in the Parks: Spreading Warmth, One Mug at a Time:

This winter, we're hitting the parks—not with snowballs (though that could be fun too)—but with hot chocolate! Imagine it: bundled-up families, folks out for a winter stroll, and we're there with steaming mugs, ready to share some love and joy. It's the perfect way to connect with people, especially when everyone's looking for a little extra warmth. And let's be honest, nothing breaks the ice like a cup of cocoa. While we serve up the hot drinks, we'll also be serving up some conversation about faith and the hope that Christ brings, because who doesn't need a little hope in these chilly months?

Evangelistic Services: Bringing the Gospel to Local Churches

But that's not all, folks! We're also partnering with local churches across the country to host evangelistic services this winter. These are going to be powerful moments where we present the Gospel, inviting people to not just hear about God's love but to respond to it. We're talking full-on Gospel presentations, worship, and the chance for people to make life-changing decisions right there in the service. Whether you're already part of a church or looking to get involved, these services are a chance to unite and bring others into the fold. We're setting the stage for a season of transformation, and we can't wait to see how God moves!

Get Involved: Let's Spread the Warmth Together

As we head into the Christmas season, we're fired up for all the opportunities to share the good news. This winter may be cold, but we've got plenty of ways to keep the fire of evangelism burning! Have an idea for a winter outreach? Want to partner with us for an evangelistic service? Hit us up—we'd love to hear from you. Let's make this winter one to remember, not just for the weather but for the impact we make in the lives of others.

Fuel Your Light with God's Word

Illuminate Every Corner

>>> LEVEL UP YOUR FAITH

Step into the Light: Shining Bright for Christ

Hey fam, it's time to get serious about shining our light for Christ! We're not talking about just standing out a little; we're talking about *lighting up* the world. In a time where darkness often takes center stage, we have the incredible opportunity to reflect the light of Jesus. This is your invitation to step into that light and make an impact.

1. **Fuel Your Light with God's Word**

Just like a lamp needs oil, our spiritual light needs fuel. Spend time in the Word and in prayer, because that's where our strength comes from. Psalm 119:105 says, "Your word is a lamp to my feet and a light to my path." By diving deep into Scripture, we become brighter, more prepared to guide others to the truth.

2. **Let Your Light Shine Through Action**

Words are important, but actions can speak volumes. Whether it's lending a helping hand or showing kindness to someone in need, let your actions reflect Christ. Matthew 5:16 tells us, "Let your light shine before others, so they may see your good works and give glory to your Father in heaven."

3. **Illuminate Every Corner of Your Life**

Being a light isn't a part-time job. Wherever you go—whether it's work, school, or home—shine bright. It's in the small, everyday interactions where your light can have the greatest impact. A smile, a word of encouragement, or even listening to someone who needs to talk can be the spark that leads them to the ultimate light: Jesus.

So let's make this season one where we shine brighter than ever, spreading hope, love, and the Gospel in every corner of our lives!

What's Poppin' at GPS

(Gettin' People Saved, duh!)

Yo yo yo! Or should it be Ho Ho Ho my Peeps, brace yourselves—we've got some fresh news straight from HQ! Winter may be here, but we're not slowing down. In fact, we're leveling up! Along with our hot chocolate park hangouts, we're now gearing up for Presentation Nights. What's that, you ask? It's where we present the Gospel in local churches, bring people together, and make big moves for Christ. Think music, testimonies, and an epic call to action.

Here's what's dropping this Season:

This means
"What is New"

But that's not all! We're expanding our Outreach Team and Prayer Group. If you're ready to join the crew and make a real difference, this is your moment! Whether you want to hit the streets or stand in prayer, there's a spot for you. Let's keep this fire going and make this winter one to remember!

Calling all warriors of faith!

We need YOU to join our squad and help us spread the good word. Whether you're a smooth talker, a dance machine (or at least a willing participant), or just someone with a passion for sharing your faith, there's a place for you at GPS. Need to know more? Join us on our vision night!

Bonus points if:

Winter's here, but we're just heating up, fam! If you can drop a Bible verse faster than your friends can drop song lyrics (bonus points if you can work it into a freestyle), then we want you on the GPS team. Whether your dance moves scream "dad energy" or "hip-hop legend," we're all about bringing that unshakeable faith and passion to the streets.

Forget "couch potato vibes"—we're trading in Friday nights of "Netflix and chill" for "Spread the Gospel and thrill!" Join the revolution as we hit up parks, share some hot chocolate, and dive into life-changing conversations. Stay locked for updates on our first Winter Friday Night Smackdown—we're dropping the deets on social media soon, so don't miss out!

Remember, sharing your faith should be an adventure, not a chore. Let's make this winter epic!

Lifting Up Our Squad:

Making the most of our opportunities

This Season, let's direct our prayers Christmas and the opportunities that will bring GPS and the presentation of the Gospel!

Building a Solid Foundation:

We still need trustees so let's continue to pray for wisdom and guidance during this crucial phase

Finding Our Perfect Fit:

We're still actively seeking a charity shop to spread our message and serve the community. Let's lift this need in prayer.

The Prayer Group is making it work:

As the founder of GPS, I've never been a fan of WhatsApp—too many notifications! But leave it to Christine, one of our brilliant volunteers, to start a prayer group on there. Now, suddenly everyone's curious about what we're up to! I guess people can't resist a good chat, even when it involves praying. Who knew a little app would spark so much interest? Now we're swamped with folks wanting to know more about our mission, and it's amazing to see God using even the tech I avoid to bring people together!

Do you have a specific prayer request for GPS or your community? Share it on our Socials or send an email to gospelproclamationservices@gmail.com. We're here for you, squad!

Daily dose of truth

Daily Dose of Truth

Quote: "The coldest winter can't freeze a heart set on fire for others." – Unknown

Scripture Verse:

"Let us not love with words or speech but with actions and in truth." – 1 John 3:18 (NIV)

[#DailyDoseofTruth](#) [#GPSFam](#) [#SpreadtheLove](#)

This winter, GPS is all about bringing the warmth of Christ to our communities. Whether it's handing out hot chocolate in the park or hosting evangelistic services, let's show the world that our faith is more than just words—it's action! Bundle up and join us as we spread love, hope, and the Gospel during this chilly season!
