## Yo Fam! What a great Easter Eggravanza!

FROM THE TOP DOG

Yo yo yo, GPS crew, spring is in the air and we've been out making moves! Forget chocolate bunnies and supermarket egg hunts—this Easter, we hit the streets with the real story.

I grabbed my coat (because Wigan weather still can't be trusted), teamed up with Christine and Elijah, and hit the town centre like it was mission time! Armed with a mountain of Easter tracts for the adults and enough chocolate eggs to make Willy Wonka jealous, we set out to spread the Gospel message loud and clear. And guess what? People were LOVING it. Big smiles, real convos, and a chance to share the hope of Jesus—right there between Greggs and the bus stop!

Continued from page 1...

Kids were buzzing over the chocolate eggs (seriously, who says no to free chocolate?), and adults were way more open than you'd expect. It wasn't just a "grab and run" either. Loads of folks actually stopped, chatted, and took the tracts home. You could feel it in the air: hearts were opening up, seeds were being planted, and Jesus was getting the spotlight He deserves.

Honestly, it was a major win for the Kingdom—and it's just the beginning! So next Easter, no excuses. Mark your calendar, charge up your energy, and come join the squad. This kind of outreach? It's pure joy, pure Gospel, and pure GPS style.

Spring might be about new beginnings, but we're already seeing the harvest! Let's keep pressing on, fam. Big things are growing, and YOU'RE invited to be part of it! So why not join us as we go out. Listen it doesn't have to be Easter or Christmas. Ok we love the chocolate and presents, but there is a great and wonderful gift that we can give out, and it cost us nothing but a little bit of time. Now I can afford to give some of that every now and again!

What about YOU?

Peace out and let's get to work!

## Seasonal Spotlight:

### Horses, Huge Crowds, and the Gospel!

Alright fam, spring has sprung, and you know what that means—it's time to swap the winter coats for sunnies and fresh air! While some might think spring's just about flowers and chill vibes (and hey, we're here for that too), GPS has been out there stirring up some serious Kingdom action. This year during Spring, we hit the streets at the Grand National, armed with loads of Gospel tracts and ready to share the greatest message ever: **TOP TIP:** Jesus is alive, and He's got love for everyone!

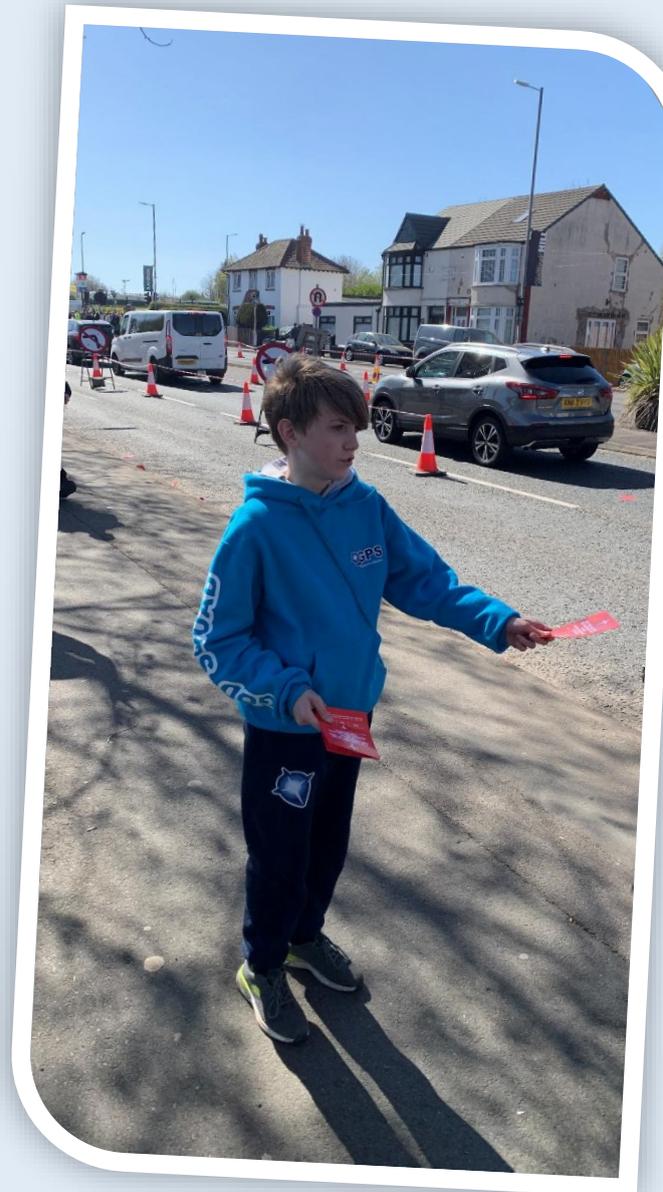

### At the Grand National: Spreading the Gospel, One tract at a Time:

This spring, something amazing happened at Aintree during the Grand National, and no, it wasn't just the horses racing—it was a young champion of faith stepping up big time! Elijah, part of our GPS team, joined in the outreach with a heart full of courage and a voice ready to proclaim the good news. Armed with a stack of Gospel tracts and a big smile, he walked through the crowds boldly handing them out to adults. Now it wasn't Easter so there were no chocolate Easter eggs (because hey, sweet treats open doors, so we will be giving them out on Good Friday weekend and Bank Holiday Monday!).

Yet Elijah didn't stop there—Elijah wasn't just quietly passing them along—he was speaking out with growing confidence, declaring, "Jesus loves you!" with a grin that could light up the whole racecourse. You could literally see his courage growing with every step he took, every smile he offered, and every person he reached out to. It was like watching someone realize in real-time that God can use them in powerful ways. Honestly, he got so fired up, we thought he might grab the microphone and start singing on the spot! (Maybe next year, who knows?) It was an awesome glimpse of what happens when young faith turns into fearless action, and we can't wait to see how Elijah keeps shining brighter with every opportunity! Watching Elijah step out in faith was a huge reminder that sharing Jesus isn't about having it all perfect—it's about showing up, speaking out, and letting God do the rest. What a win for the Kingdom!

### Feeling inspired?

We're already gearing up for more outreach adventures next year, and there's room for you too! Whether it's handing out tracts, sharing a smile, or simply being present, every part matters. If Elijah can step out with boldness, so can you! Let's keep building, keep growing, and keep making Jesus known in ways that light up the streets and hearts around us. Stay tuned, because the best is still to come!

Plant seeds of the Gospel

Grow your Roots

## ➤➤➤ LEVEL UP YOUR FAITH

### Level Up Your Faith Game: Spring into Action for Christ

Hey fam, spring is here and it's time to level up your faith game! Just like the world is waking up with fresh life, it's a perfect season for us to shake off the old and grow stronger in our walk with Jesus. This isn't just a season for flowers—it's a season for bold faith!

#### 1. **Plant Seeds of the Gospel Everywhere**

Spring is all about planting, right? So why not plant seeds of faith too? Share a kind word, offer a prayer, invite someone to church. 1 Corinthians 3:6 reminds us, "***I planted, Apollos watered, but God gave the growth.***" We plant, God brings the miracle!

#### 2. **Grow Your Roots Deep in Christ**

Now's the time to dig those roots deeper. Spend time in God's Word, worship, and prayer. Colossians 2:7 says, "***Let your roots grow down into him, and let your lives be built on him.***" Strong roots mean you can weather any storm and still stand tall.

#### 3. **Bloom Where God Has Placed You**

You don't have to be somewhere "special" to make a difference. Wherever you are right now is your mission field. Shine for Jesus in your school, your workplace, your home—wherever God has planted you, bloom big for His glory! Matthew 5:14–16 says, "***You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.***"

Let's make this a season of real growth—planting seeds, growing deeper, and blooming bright for Christ!

# What's Poppin' at GPS (Gettin' People Saved, duh!)

Yo yo yo! Or should it be Ho Ho Ho my Peeps, brace yourselves—we've got some fresh news straight from HQ! Winter may be here, but we're not slowing down. In fact, we're levelling up! Along with our hot chocolate park hangouts, we're now gearing up for Presentation Nights. What's that, you ask? It's where we present the Gospel in local churches, bring people together, and make big moves for Christ. Think music, testimonies, and an epic call to action.

## Here's what's dropping this Season:

This means  
"What is New"

But that's not all! We're expanding our Outreach Team and Prayer Group. If you're ready to join the crew and make a real difference, this is your moment! Whether you want to hit the streets or stand in prayer, there's a spot for you. Let's keep this fire going and make this winter one to remember!

### Calling all warriors of faith!

The vibes at GPS have been next level! Vision Night was like FIRE, and guess who showed up strong? Our young people! From repping at the back table with merch and snacks to fully diving into worship, they weren't just present—they were leading. This crew is stepping up, and we're here for it. The future is looking bright, fam!

**"Don't let anyone look down on you because you are young, but set an example for the believers..."** (1 Timothy 4:12 NIV)

### What is NEW to our Heart:

Something's been stirring in our hearts, and it's too real to ignore. After the heart-breaking loss of a local teen, who sadly ended her life, we've been seeking God for how to respond—and here's where He's leading: "GodFellas" Pizza Night. This isn't just another youth hangout; it's a faith-fuelled safe space to bring hope, healing, and (yep) slices of cheesy goodness to a generation that's struggling silently.

We're talking open doors, open hearts, and open pizza boxes—creating an environment where young people feel seen, heard, and supported. It's time to be present, to listen, to love like Jesus, and maybe even toss in some extra toppings while we're at it. Stay tuned, GPS fam—this is just the beginning of our heart towards those struggling with their mental health. If this is on your heart then let us know as we move forward in this.

# LIFTING UP OUR SQUAD

## Pizza to make it work:

We've been stirred big time by the loss of a local teen, and we believe God is leading us to respond. That's where the "GodFellas" Pizza night comes in—a drop-in space for young people to chill, chat, and chow down. Sounds simple, but it's powerful. We need your prayers as we take bold steps to launch this. Pray for the right location, the right volunteers, and for hearts to be open. We're not just serving slices—we're serving hope, and we're trusting God to make this something life-changing.

*Do you have a specific prayer request for GPS or your community? Share it on our Socials or send an email to [gospelproclamationservices@gmail.com](mailto:gospelproclamationservices@gmail.com). We're here for you, squad!*
